

SOCIETE NATIONALE DES CHEMINS DE FER FRANÇAIS
€10,000,000,000
Euro Medium Term Note Programme
Due from one day from the date of original issue

Under the Euro Medium Term Note Programme described in this Base Prospectus (the "Programme"), Société Nationale des Chemins de fer Français (the "Issuer"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue outside the Republic of France Euro Medium Term Notes (the "Notes"). The aggregate nominal amount of Notes outstanding will not at any time exceed €10,000,000,000 (or its equivalent in other currencies) subject to increase as described herein.

This Base Prospectus (the "Base Prospectus") supersedes and replaces the Offering Circular dated 30 June 2004. Any Notes issued under the Programme on or after the date of this Base Prospectus are issued subject to the provisions described herein.

Notes will be issued in one or more series (each a "Series"). Each Series shall be in bearer form or in registered form and may be issued in one or more tranches (each a "Tranche") on different issue dates and on terms otherwise identical (except in relation to the interest commencement dates and matters related thereto). The Notes may be issued on a continuing basis to one or more of the Dealers specified under "Summary of the Programme" and any additional Dealer appointed under the Programme from time to time by the Issuer (each a "Dealer" and together the "Dealers"), which appointment may be for a specific issue or on an ongoing basis. References in this Base Prospectus to the "relevant Dealer" shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to subscribe such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see "Risk Factors".

Application has been made to the *Commission de Surveillance du Secteur Financier* (the "CSSF") in its capacity as competent authority under the Luxembourg Act dated 10 July 2005 on prospectuses for securities to approve this document as a base prospectus. Application has also been made to the Luxembourg Stock Exchange for Notes issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Luxembourg Stock Exchange.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes will be set out in a final terms supplement (the "Final Terms") which, with respect to Notes to be listed on the Luxembourg Stock Exchange will be filed with the CSSF. In relation to Notes listed on the Luxembourg Stock Exchange, this Base Prospectus is valid for a period of one year from the date hereof. However, unlisted Notes may be issued pursuant to the Programme. The applicable Final Terms in respect of the issue of any Notes will specify whether or not such Notes will be listed and, if so, the relevant stock exchange(s).

Notes of each Tranche of each Series of Notes in bearer form will initially be represented by a temporary global note in bearer form (each a "Temporary Global Note") or a permanent global note in bearer form (each a "Permanent Global Note" and, collectively with any Temporary Global Note, the "Global Notes"), each without interest coupons. Global Notes may be deposited (a) in the case of a Tranche intended to be cleared through Euroclear (as defined below) and/or Clearstream Banking, société anonyme ("Clearstream, Luxembourg"), on the issue date of the relevant Tranche of each Series with a common depository on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System ("Euroclear") and Clearstream, Luxembourg, (b) in the case of a Tranche intended to be cleared through Euroclear France and the *Intermédiaires financiers habilités*, authorised to maintain accounts therein (together, "Euroclear France"), on the issue date with Euroclear France, acting as central depository, and (c) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear, Clearstream, Luxembourg or Euroclear France or delivered outside a clearing system, as agreed between the Issuer and the relevant Dealer. The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in "Form of Notes and Transfer Restrictions".

Notes of each Tranche of each Series of Notes in registered form ("Registered Notes" comprising a "Registered Series") and which are sold in an "offshore transaction" within the meaning of Regulation S under the U.S. Securities Act of 1933, as amended (the "Securities Act") will initially be represented by one or more global certificates (each an "Unrestricted Global Certificate") in fully registered form without interest coupons which will be (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg, deposited with, and registered in the name of a nominee of, a common depository for Euroclear and Clearstream, Luxembourg and (b) in the case of a Tranche intended to be cleared through Euroclear France, deposited with, and registered in the name of, Euroclear France or as otherwise agreed with Euroclear France, which may in each case be exchangeable under their terms for definitive Registered Notes. Notes of each Tranche of each Registered Series sold to a qualified institutional buyer within the meaning of Rule 144A under the Securities Act, as referred to in, and subject to the transfer restrictions described in, "Form of Notes and Transfer Restrictions – Registered Notes" and "Subscription and Sale", will initially be represented by one or more global certificates (each a "Restricted Global Certificate" and, together with the Unrestricted Global Certificates, "Global Certificates") in fully registered form without interest coupons which will be deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company ("DTC") on its issue date. SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

The Issuer is a corporation organised under the laws of the Republic of France. All of the officers and directors named herein reside outside the United States and all or a substantial portion of the assets of the Issuer and of such officers and directors are located outside the United States. As a result, it may not be possible for investors to effect service of process outside the Republic of France upon the Issuer or such persons, or to enforce judgments against them obtained in courts outside the Republic of France predicated upon civil liabilities of the Issuer or such directors and officers under laws other than French law, including any judgment predicated upon United States federal securities laws.

SUMMARY OF THE PROGRAMME

This summary must be read as an introduction to this Base Prospectus and any decision to invest in any Notes should be based on a consideration of this Base Prospectus as a whole, including the documents incorporated by reference. Following the implementation of the relevant provisions of the Prospectus Directive in each Member State of the European Economic Area no civil liability will attach to the Responsible Persons in any such Member State in respect of this Summary, including any translation hereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of this Base Prospectus. Where a claim relating to information contained in this Base Prospectus is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus before the legal proceedings are initiated.

Words and expressions defined in "*Form of Notes and Transfer Restrictions*" and "*Terms and Conditions of the Notes*" shall have the same meanings in this summary.

Issuer:

Société Nationale des Chemins de Fer Français ("SNCF") is a French public entity of an industrial and commercial character (établissement public industriel et commercial-"EPIC") with autonomous management created under Act N°. 82-1153 dated 30 December 1982 and modified by the Reform Law of 13 February 1997 as Act N°.97-135. Its duration is unlimited. As from 1 January 1983, SNCF became the successor of the corporation created pursuant to the Laws of 31 August 1937 and took over the name Société Nationale des Chemins de fer Français. The registered office of SNCF is currently at 34, rue du Commandant Mouchotte, 75014 Paris. The telephone number of SNCF's registered office is (+33) (0)1 53 25 60 00.

The Reform Law modifies Act N°.82-1153 dated 30 December 1982 (the "Act of 1982") which, inter alia, sets out SNCF's objects. SNCF's current objects are to operate railway services over the national railway network and to manage the railway infrastructure on behalf of Réseau Ferré de France ("RFF"), each in accordance with the principles applicable to public services. SNCF is empowered to carry out all activities directly or indirectly connected with such objects. The management of the railway infrastructure involves responsibility for traffic regulation, the security of the network and the good state of repair and maintenance of the infrastructure. SNCF may create subsidiaries or take shareholdings in companies, group or other entities, the purpose of which is related or contributes to that of SNCF.

SNCF's capital is totally owned by the French State. SNCF has no shares and pays no dividends.

Risk Factors:

There are certain factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme. These are set out under "*Risk Factors*" below. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme, see "*Risk Factors*".

As with all French public entites (whether Etablissements Publics Administratifs ("EPAs") or EPICs), the French State

is ultimately responsible for the solvency of SNCF pursuant to Act N°.80-539 dated 16 July 1980 (the "Act of 1980") on the execution of judgments regarding public entities. In the event that an EPIC defaults, the Act of 1980 assigns responsibility to the relevant supervisory authority (which in the case of SNCF is the French State itself) which must either provide the EPIC with new resources or automatically approve the sums for which the EPIC is held liable by court order.

Moreover, court-ordered reorganisation and liquidation proceedings do not apply to EPICs (Article 620-2 of the Code de Commerce replacing Article 2 of the Act dated 25 January 1985).

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

Factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme

As with all French public entites (whether Etablissements Publics Administratifs ("EPAs") or EPICs), the French State is ultimately responsible for the solvency of SNCF pursuant to Act N° 80-539 dated 16 July 1980 (the "Act of 1980") on the execution of judgments regarding public entities. In the event that an EPIC defaults, the Act of 1980 assigns responsibility to the relevant supervisory authority (which in the case of SNCF is the French State itself) which must either provide the EPIC with new resources or automatically approve the sums for which the EPIC is held liable by court order.

Moreover, court-ordered reorganisation and liquidation proceedings do not apply to EPICs (Article 620-2 of the Code de Commerce replacing Article 2 of the Act dated 25 January 1985).

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate

addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "Relevant Factor"). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification and waivers

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required, from 1 July 2005, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date.

If, following implementation of this Directive, a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be

obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent following implementation of this Directive, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

Change of law

The conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Base Prospectus.

Trading in the clearing systems

In relation to any issue of Notes which have a minimum denomination and are tradeable in the clearing systems in amounts above such minimum denomination which are smaller than it, should definitive Notes be required to be issued, a holder who does not have an integral multiple of the minimum denomination in his account with the relevant clearing system at the relevant time may not receive all of his entitlement in the form of definitive Notes unless and until such time as his holding becomes an integral multiple of the minimum denomination.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the applicable Final Terms, shall be applicable to the Notes, in definitive form (if any) issued in exchange for the Global Note(s) and the Global Certificates representing each Series. Either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the applicable Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued (or deemed to be issued) outside the Republic of France by Société Nationale des Chemins de fer Français (the “Issuer”) pursuant to an amended and restated Agency Agreement dated 23 December 2005 (as further amended or supplemented as at the date of issue of the Notes (the “Issue Date”) between the Issuer, Deutsche Bank AG, London Branch, as successor to Bankers’ Trust Company, London Branch, as *inter alia* fiscal agent and principal paying agent and the other agents named in it, (the “Agency Agreement”) with the benefit of a deed of covenant (as amended or supplemented at the Issue Date, the “Deed of Covenant”) dated 23 December 2005 and executed by the Issuer in relation to the Notes. The fiscal agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Fiscal Agent”, the “Paying Agents” (which expression shall include the Fiscal Agent), the “Registrar”, the “Transfer Agents” and the “Calculation Agent(s)”. The Noteholders (as defined below), the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the receipts for the payment of instalments of principal (the “Receipts”) relating to Notes in bearer form of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Copies of the Agency Agreement and the Deed of Covenant are available for inspection at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1. Form, Denomination, Title, Currency and Redenomination

(a) Form, Denomination and Title:

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“Registered Notes”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) in each case in the Specified Denomination(s) shown in the applicable Final Terms.

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly Paid Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown in the applicable Final Terms.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in the case of late payment), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be

kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be), “Series” means a series of Notes comprising one or more Tranches (as defined below), whether or not issued on the same date, that except in respect of the first payment of interest and their issue price, have identical terms on issue and are expressed to have the same series number, “Tranche” means, in relation to a Series, those Notes of that Series that are issued on the same date at the same issue price and in respect of which the first payment of interest is identical, and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

(b) *Redenomination:*

The Issuer may (if so specified in the applicable Final Terms) without the consent of the holder of any Note, Receipt, Coupon or Talon, redenominate all, but not some only, of the Notes of any Series on or after the date on which the Member State of the European Union in whose national currency such Notes are denominated has become a participating Member State in the third stage of the European economic and monetary union (“EMU”), all as more fully provided in the applicable Final Terms.

2. Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) *Exchange of Exchangeable Bearer Notes:*

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same aggregate nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unexpired Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) *Transfer of Registered Notes:*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes:*

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the

case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) *Delivery of New Certificates:*

Each new Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 6(e)) and/or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge:*

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) *Closed Periods:*

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date.

3. Status

The Notes and the Receipts and Coupons relating to them constitute (subject to Condition 4) direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and, save for statutorily preferred exceptions, equally with all its other obligations which are unsecured and unsubordinated.

4. Negative Pledge

So long as any of the Notes, Receipts or Coupons remain outstanding (as defined in the Agency Agreement) the Issuer will not secure or allow to be secured any loan, debt, guarantee or other obligation, now or hereafter existing, by any mortgage, lien (other than liens arising by operation of law), pledge or other charge upon any of the present or future revenues or assets of the Issuer (except for any mortgage, lien, pledge or other charge on property purchased by the Issuer as security for all or part of the purchase price thereof) without at the same time according to the Notes the same or equivalent security.

5. Interest and other Calculations

(a) *Interest on Fixed Rate Notes:*

Each Fixed Rate Note bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate

of Interest, such interest being payable in arrears on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If a Fixed Coupon Amount or a Broken Amount is specified in the applicable Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the applicable Final Terms.

(b) *Interest on Floating Rate Notes and Index Linked Interest Notes:*

(i) *Interest Payment Dates:*

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the applicable Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the applicable Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the applicable Final Terms as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention:*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified in the applicable Final Terms is (A) the Floating Rate Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each such subsequent date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest for Floating Rate Notes:*

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the applicable Final Terms;
- (y) the Designated Maturity is a period specified in the applicable Final Terms; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date", and

“Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (x) if the Primary Source for the Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date;
- (y) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (x)(I) above applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) above applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent;
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the Euro-zone as selected by the Calculation Agent, (the “Principal Financial Centre”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period);

(iv) *Rate of Interest for Index Linked Notes:*

The Rate of Interest in respect of Index Linked Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Final Terms and interest will accrue by reference to an Index or Formula as specified in the applicable Final Terms.

(c) *Zero Coupon Notes:*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of

Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as defined in Condition 6(b)).

(d) *Dual Currency Notes:*

In the case of Dual Currency Notes, if the rate or amount of interest fails to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(e) *Partly Paid Notes:*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(f) *Accrual of Interest:*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (after as well as before judgment) at the Rate of Interest in the manner provided in this Condition 5, to the Relevant Date (as defined in Condition 8).

(g) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding:*

- (i) If any Margin or Rate Multiplier is specified in the applicable Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph;
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the applicable Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be;
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

(h) *Calculations:*

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:*

As soon as practicable after the Relevant Time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be,

and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

If

any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

6. Redemption, Purchase and Options

(a) *Redemption by Instalments and Final Redemption:*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or unless the relevant Instalment Date (being one of the dates so specified in the applicable Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(d) or 6(e), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the applicable Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below or unless its maturity is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(d) or 6(e), each Note shall be finally redeemed on the Maturity Date specified in the applicable Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within sub-paragraph (i) above, its final Instalment Amount.

(b) *Early Redemption:*

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero-Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified in the applicable Final Terms.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the applicable Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the

Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction specified in the applicable Final Terms.

(ii) Other Notes:

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified in the applicable Final Terms.

(c) *Redemption for Taxation Reasons:*

- (i) If by reason of any change in, or amendment to, the laws and regulations of the Republic of France or any political subdivision or any authority therein or thereof having power to tax, or any change in the official application or interpretation thereof, becoming effective after the Issue Date, the Issuer would become obliged to pay additional amounts as provided or referred to in Condition 8, the Issuer may (having given not more than 60 nor less than 30 days' notice to the Noteholders, which notice shall be irrevocable) redeem at their Early Redemption Amount (as described in Condition 6(b) above) together with interest accrued (if any) to the date fixed for redemption all (but not some only) of the Notes on any Interest Payment Date, or, if so specified in the applicable Final Terms, at any time, at their Early Redemption Amount (together with interest accrued to the date fixed for redemption), provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of principal and interest without withholding for French taxes.
- (ii) If, on the occasion of the next payment due in respect of the Notes, the Issuer would be prevented by French law from making payment to the Noteholders and the Couponholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts as provided in Condition 8(b), then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and shall redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount, together with interest accrued (if any) to the date of such redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) 14 days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified on this Note, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date on which the Issuer could make payment of the full amount payable in respect of the Notes, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(d) *Redemption at the Option of the Issuer and Exercise of Issuer's Options:*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified in the applicable Final Terms) redeem, or exercise any Issuer's option (as may be described in the applicable Final Terms) in relation to, all or, if so provided, some of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed (the "Minimum Redemption Amount") specified in the applicable Final Terms and no greater than the maximum nominal amount to be redeemed (the "Maximum Redemption Amount") specified in the applicable Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements. So long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that Stock Exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in Luxembourg a notice specifying the aggregate nominal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

(e) *Redemption at the Option of Noteholders and Exercise of Noteholders' Options:*

If Investor Put is specified in the applicable Final Terms, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified in the applicable Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Noteholders' option that may be set out in the applicable Final Terms (which must be exercised on an Option Exercise Date) the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) *Partly Paid Notes:*

Partly Paid Notes will be redeemed whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the applicable Final Terms.

(g) *Purchases:*

The Issuer may at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or by tender or by private treaty or otherwise at any price.

(h) *Cancellation:*

All Notes purchased by or on behalf of the Issuer will be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

7. Payments and Talons

(a) *Bearer Notes:*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a bank in the principal financial centre for such currency, or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) *Registered Notes:*

- (i) Payments of principal (which for the purposes of this Condition 7(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the “Record Date”). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a bank in the principal financial centre of the country of the currency concerned, subject as provided in paragraph (a) above, and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, and, subject as provided in paragraph (a) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a bank in the principal financial centre of the country of that currency.

(c) *Payments in the United States:*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws:*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents:*

The Fiscal Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrar, Transfer Agents and the Calculation Agent(s), act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and/or approve any change in the specified office through which any Paying Agent acts and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) a Redenomination Agent and a Consolidation Agent where the Conditions so require (and further provided that on a redenomination of the Notes pursuant to Condition 1(b) and a consolidation of the Notes with a further issue of Notes pursuant to Condition 12, the Issuer shall procure that the same entity shall be appointed as the Redenomination Agent and the Consolidation Agent in respect of both the Notes and such other issues of notes), (vi) at least one Paying Agent having a specified office in a continental European city other than the jurisdiction of incorporation of the Issuer and provided further that, so long as the Notes are listed on the Luxembourg Stock Exchange, the Issuer will maintain a Paying Agent and Transfer Agent in Luxembourg, (vii) the Issuer will maintain such other agents as may be required by the rules of any other stock exchange on which the Notes may be listed (or any other relevant authority) and (viii) a Paying Agent in a Member State of the European Union (a “Member State”) that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC, or any law implementing or complying with, or

introduced in order to conform to, such Directive (any such Directive or law, an “EU Savings Directive Tax Law”) to the extent that any Member State does not maintain any obligation to so withhold or deduct pursuant to any EU Savings Directive Tax Law.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) *Unmatured Coupons and Receipts and unexchanged Talons:*

- (i) Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If the Notes so provide, upon the due date for redemption of any Bearer Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons:*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days:*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for

business in the relevant place of presentation, in such jurisdictions as shall be specified as “Additional Financial Centres” in the applicable Final Terms and:

- (i) in the case of a payment in a currency other than euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) in the case of a payment in euro, which is a TARGET Business Day.

8. Taxation

(a) Tax Regime:

The Notes being issued outside the Republic of France, interest and other revenues with respect to the Notes benefit from the exemption provided for in article 131 *quater* of the *Code Général des Impôts* (general tax code) from deduction of tax at source. Accordingly, such payments do not give the right to any tax credit from any French source.

(b) Additional Amounts:

If French law should require that payments of principal or interest in respect of any Note be subject to withholding or deduction with respect to any taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by French law, pay such additional amounts as may be necessary in order that the net amounts received by the holders of Notes, Receipts and Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would have been receivable in respect of the Notes, Receipts or Coupons, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) presented for payment in France; or
- (ii) presented for payment by or on behalf of a holder who is liable to such taxes or duties in respect of such Note or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or
- (iii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to the new European Council Directive 2003/48/EC, or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (v) presented for payment more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days.

As used in these Conditions, “Relevant Date” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition.

9. Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default

Upon any of the following events (each an “Event of Default”) taking place, the holder of any Note may give written notice to the Issuer through the Fiscal Agent at its specified office that such Note is immediately due and payable, whereupon the Early Redemption Amount of such Note together with accrued interest to the date of payment shall become immediately due and payable, unless such Event of Default shall have been remedied prior to the receipt of such notice by the Fiscal Agent:

- (i) default is made for more than 15 days in the payment of any principal and interest due in respect of the Notes; or
- (ii) default by the Issuer in the performance or observance of any other obligation on its part under the Notes and such default continuing for 30 days after written notice requiring such default to be remedied has been given by the holder of any Note through the Fiscal Agent to the Issuer; or
- (iii) any other indebtedness for money borrowed by the Issuer becoming prematurely repayable following a default, or steps being taken to enforce any security in respect thereof, or the Issuer defaulting in the repayment of any such indebtedness at the maturity thereof as extended by any applicable grace period, or any guarantee of any indebtedness for money borrowed given by the Issuer not being honoured when due and called upon; or
- (iv) the Issuer being dissolved or merged into a company, unless in such event the obligations of the Issuer pursuant to the Notes are assumed by such company either expressly by contract or by virtue of applicable law.

11. Replacement of Bearer Notes, Certificates, Receipts, Coupons and Talons

If a Bearer Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Paying Agent in Luxembourg (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Bearer Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Bearer Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Bearer Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Further Issues and Consolidation

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes ranking *pari passu* with the Notes and having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with such Notes, and references in these Conditions to “Notes” shall be construed accordingly.

The Issuer may also from time to time upon not less than 30 days’ prior notice to Noteholders, without the consent of the holders of the Notes or Coupons of any Series, consolidate the Notes with notes of one or more other Series issued by it provided that, in respect of all periods subsequent to such consolidation, the notes of all such other Series are denominated in the same currency as such Notes (irrespective of the currency in which any notes of such other Series were originally issued) and otherwise, have the same terms and conditions as such Notes. Notice of any such consolidation will be given to the Noteholders in accordance with Condition 14. The Fiscal Agent shall act as the consolidation agent (in such capacity, the “Consolidation Agent”).

With effect from their consolidation, the Notes and the notes of such other Series will (if listed prior to such consolidation) be listed on at least one European stock exchange on which either such Notes or the notes of such other Series were listed immediately prior to consolidation.

The Issuer shall in dealing with the holders of such Notes following a consolidation pursuant to this Condition 12 have regard to the interests of the holders of such Notes and the holders of the notes of such other Series, taken together as a class, and shall treat them alike.

13. Meetings of Noteholders and Modifications

(a) *Meetings of Noteholders:*

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification of any of these Conditions. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (other than as specifically provided in these Conditions) (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown in the applicable Final Terms, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to take any steps that are specified in the applicable Final Terms may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply or (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent. in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be amended, modified, or varied in relation to any Series of Notes by the terms of the applicable Final Terms in relation to such Series.

(b) *Modification of Agency Agreement:*

The Issuer shall only permit any modification (including for the purposes of giving effect to the provisions of Conditions 1(b) and 12) of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

14. Notices

Notices to the holders of Registered Notes will be valid (i) if sent by mail to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing and (ii) in addition, so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require, if published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d' Wort* or the *Tageblatt*) or on the internet site of the Luxembourg Stock Exchange (www.bourse.lu). Notices to the holders of Bearer Notes shall be valid if published (i) in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*), and (ii) so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require, in a daily newspaper with general circulation in Luxembourg, (which is expected to be the *d' Wort* or the *Tageblatt*) or on the internet site of the Luxembourg Stock Exchange (www.bourse.lu). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on

the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition 14. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange (or other relevant authority) on which the Notes are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in each such newspaper.

Except in the case of Notes listed on the Luxembourg Stock Exchange, until such time as any definitive Notes are issued, there may (provided that in the case of Notes listed on any stock exchange, the rules of such stock exchange (or other relevant authority) so permit), so long as the global Note(s) is or are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 except and to the extent (if any) that the Notes expressly provide for such Act to apply to any of their terms.

16. Governing Law and Jurisdiction

(a) *Governing Law:*

The Notes, the Receipts, the Coupons, the Talons and the Agency Agreement are governed by, and shall be construed in accordance with, English law.

(b) *Jurisdiction:*

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) *Service of Process:*

The Issuer irrevocably appoints Rail Europe Limited of 34 Tower View, West Malling, Kent ME19 4ED, its authorised agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 14. Nothing shall affect the right to serve process in any manner permitted by law.

(d) *Immunity from Attachment:*

The assets and properties of the Issuer cannot be subject to any attachment or other enforcement proceedings in the Republic of France.

USE OF PROCEEDS

The net proceeds of each issue of Notes will be applied by the Issuer in refinancing existing debt and financing its operations.

FORM OF NOTES AND TRANSFER RESTRICTIONS

The Notes of each Series will be in either bearer form, with or without coupons attached, or registered form, without interest coupons attached. Bearer Notes will be issued outside the United States in reliance on Regulation S under the Securities Act (“Regulation S”) and Registered Notes will be issued both outside the United States in reliance on the exemption from registration provided by Regulation S and within the United States in reliance on Rule 144A.

Initial Issue of Notes

Each Tranche of Bearer Notes having an original maturity of more than 365 days will initially be represented by a Temporary Global Note and each Tranche of Bearer Notes having an original maturity of 365 days or less will initially be represented by a Permanent Global Note. Upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg (the “Common Depository”) or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and/or DTC and delivery of the relevant Global Certificate to the Common Depository and/or a custodian for DTC (the “Custodian”), Euroclear, Clearstream, Luxembourg or DTC (as the case may be) will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Upon the initial deposit of a Global Note with, or registration of Registered Notes in the name of, or any nominee for, and delivery of the relative Global Certificate to, Euroclear France (including where Euroclear France is acting as central depository), the *intermédiaires financiers habilités* (French banks or brokers authorised to maintain securities accounts on behalf of their clients (each an “Approved Intermediary”)) who are entitled to such Notes according to the records of Euroclear France will credit each subscriber with a principal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Notes that are initially deposited with the Common Depository or the Custodian may also be credited to the accounts of subscribers with Approved Intermediaries or (if indicated in the applicable Final Terms) other clearing systems through direct or indirect accounts with Euroclear, Clearstream, Luxembourg and DTC held by Euroclear France or other clearing systems. Conversely, Notes that are initially deposited with Euroclear France or any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg, DTC or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, an Approved Intermediary, DTC or any other clearing system (an “Alternative Clearing System”) as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg, DTC, such Approved Intermediary or such Alternative Clearing System (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, DTC, Euroclear France or such Alternative Clearing System (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange of Interests in Global Notes

1. Temporary Global Notes

Each Temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the applicable Final Terms indicates that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “Summary of the Programme-Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below; and

- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a Permanent Global Note or, if so provided in the applicable Final Terms, for Definitive Notes, provided that purchasers in the United States and certain U.S. persons will not be able to receive Definitive Notes in bearer form.

Each Temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any Permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

2. Permanent Global Notes

Each Permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under “Partial Exchange of Permanent Global Notes”, in part for Definitive Notes or, in the case of (iii) below, Registered Notes:

- (i) unless principal in respect of any Notes is not paid when due, by the Issuer giving notice to the Noteholders and the Fiscal Agent of its intention to effect such exchange;
- (ii) if the applicable Final Terms provides that such Global Note is exchangeable at the request of the holder, by the holder giving notice to the Fiscal Agent of its election for such exchange;
- (iii) if the Permanent Global Note is an Exchangeable Bearer Note, by the holder giving notice to the Fiscal Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; and
- (iv) otherwise, (1) if the Permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg, Euroclear France or an Alternative Clearing System, and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or (2) if principal in respect of any Notes is not paid when due, by the holder giving notice to the Fiscal Agent of its election for such exchange.

3. Partial Exchange of Permanent Global Notes

For so long as a Permanent Global Note is held on behalf of a clearing system and that clearing system so permits, such Permanent Global Note will be exchangeable in part on one or more occasions (1) for Registered Notes if the Permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (2) for Definitive Notes (i) if principal in respect of any Notes is not paid when due or (ii) if so provided in, and in accordance with, the Conditions (which will be set out in the applicable Final Terms) relating to Partly-paid Notes.

4. Delivery of Notes

On or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a Temporary Global Note exchangeable for a Permanent Global Note, deliver, or procure the delivery of, a Permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a Temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a Permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be. In this Base Prospectus, “Definitive Notes” means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each Permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

5. Exchange Date

“Exchange Date” means, in relation to a Temporary Global Note, the day falling after the expiry of 40 days after its issue and, in relation to a Permanent Global Note, a day falling not less than 60 days, or in the case of failure to pay principal in respect of any Notes when due, 30 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

Modification of the Conditions of the Notes while in Global Form

The Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Base Prospectus. The following is a summary of certain of those provisions:

1. Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a Permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any Temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. A record of each payment so made will be endorsed on each Global Note, which endorsement will be prima facie evidence that such payment has been made in respect of the Notes.

2. Prescription

Claims against the Issuer in respect of principal and interest in respect of Notes that are represented by a Global Note will become void unless it is presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

3. Meetings

The holder of a Permanent Global Note or of the Notes represented by a Global Certificate shall (unless such Permanent Global Note or Global Certificate represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and at any such meeting, as having one vote in respect of each minimum Specified Denomination of Notes for which such Global Note may be exchanged. (All holders of Registered Notes are entitled to one vote in respect of each Note comprising such Noteholder’s holding, whether or not represented by a Global Certificate.)

4. Cancellation

Cancellation of any Note represented by a Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant Global Note.

5. Purchase

Notes represented by a Permanent Global Note may only be purchased by the Issuer if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

6. Events of Default

Each Global Note and Global Certificate provides that the holder may cause such Global Note, or a portion of it, or Registered Notes represented by such Global Certificate, as the case may be, to become due and repayable in the circumstances described in Condition 10 by stating in the notice to the Fiscal Agent the nominal amount of such Global Note or Registered Notes which is becoming due and repayable. If principal in respect of any Note is not paid when due, the holder of a Global Note or Registered Notes represented by a Global Certificate may elect for direct enforcement rights against the Issuer under the terms of a Deed of Covenant executed as a deed by the Issuer on 23 December

2005 (as supplemented from time to time) to come into effect in relation to the whole or a part of such Global

Note or such Registered Notes, as the case may be, as accountholders with a clearing system. Following any such acquisition of direct rights, the Global Note or, as the case may be, the Global Certificate and the corresponding entry in the register kept by the Registrar will become void as to the specified portion or Registered Notes, as the case may be. However, no such election may be made in respect of Notes represented by a Global Certificate unless the transfer of the whole or a part of the holding of Notes represented by that Global Certificate shall have been improperly withheld or refused.

7. Issuer's Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a Permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. If any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system or an Approved Intermediary in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg, Euroclear France or other relevant clearing system (as the case may be).

8. Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a Permanent Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg, may be exercised by the holder of the Global Note giving a notice of exercise in relation to the principal amount of the Notes in respect of which such option is exercised within the time limits set forth in that Condition and/or as required by the relevant clearing system and at the same time presenting or procuring the presentation of the Global Note to the Principal Paying Agent for notation accordingly. Whilst all of the Notes are represented by a Permanent Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg, notices of exercise shall be given in accordance with the standard procedures of Euroclear and/or Clearstream, Luxembourg (which may include notice being given on the instruction of the relevant holder by the relevant clearing system or any common depository therefor to the Principal Paying Agent by electronic means) in a form acceptable to the relevant clearing system from time to time.

9. Notices

Notices to the holders of Registered Notes will be valid (i) if sent by mail to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing and (ii) in addition, so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require, if published in a daily newspaper with general circulation in Luxembourg (which is expected to be the *d'Wort* or the *Tageblatt*). Notices to the holders of Bearer Notes shall be valid if published (i) in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*), and (ii) so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require, in a daily newspaper with general circulation in Luxembourg, (which is expected to be the *d'Wort* or the *Tageblatt*). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with Condition 14. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange (or other relevant authority) on which the Notes are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in each such newspaper.

Except in the case of Notes listed on the Luxembourg Stock Exchange, until such time as any definitive Notes are issued, there may (provided that in the case of Notes listed on any stock exchange, the rules of such stock exchange (or other relevant authority) so permit), so long as the global Note(s) is or are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted

for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Fiscal Agent. Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to the Fiscal Agent via Euroclear and/ or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

10. Partly-Paid Notes

The provisions relating to Partly-Paid Notes are not set out in this Base Prospectus, but will be contained in the applicable Final Terms and thereby in the Global Notes. While any instalments of the subscription moneys due from the holder of Partly-Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a Permanent Global Note or for Definitive Notes (as the case may be). If any Noteholder fails to pay any instalment due on any Partly-Paid Notes within the time specified, the Issuer may forfeit such Notes and shall have no further obligation to their holder in respect of them.

11. Redenomination and Consolidation

A Global Note or Global Certificate may be amended or replaced by the Issuer (in such manner as it considers necessary after consultation with the Redenomination Agent and/or the Consolidation Agent, as the case may be) for the purposes of taking account of the redenomination and/or consolidation of the Notes pursuant to Conditions l(b) and 12. Any consolidation may, in such circumstances, require a change in the relevant common depositary or central depositary or custodian or nominee, as the case may be.

Form of Registered Notes

Registered Notes offered and sold outside the United States in reliance on Regulation S under the Securities Act will be represented by interests in an Unrestricted Global Certificate, in registered form, without interest coupons attached, which will be deposited on or about the Issue Date (i) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg with, and registered in the name of, BT Globenet Nominees Limited, as nominee for, the Common Depositary and (ii) in the case of a Tranche intended to be cleared through Euroclear France, with, and registered in the name of Euroclear France or as otherwise agreed with Euroclear France. A beneficial interest in the Unrestricted Global Certificate may at all times be held only through Euroclear and Clearstream, Luxembourg or the Approved Intermediaries.

Registered Notes offered and sold to qualified institutional buyers as defined in, and in reliance on, Rule 144A will be represented by interests in a Restricted Global Certificate, in registered form, without interest coupons attached, which will be registered in the name of Cede & Co., as nominee for, and which will be deposited on or about the Issue Date with Deutsche Bank Trust Company Americas as custodian (the "Custodian") for, DTC. The Restricted Global Certificate (and any definitive Registered Notes issued in exchange therefor) will be subject to certain restrictions on transfer contained in a legend appearing on the face of such Note described under "Transfer Restrictions in respect of Registered Notes".

Each Unrestricted Global Certificate will have an ISIN and each Restricted Global Certificate will have a CUSIP number.

Transfer Restrictions in respect of Registered Notes

On or prior to the expiry of the distribution compliance period applicable to each Tranche of Notes, a beneficial interest in the Unrestricted Global Certificate may be transferred to a person who wishes to take delivery of such beneficial interest through the Restricted Global Certificate only upon receipt by the Registrar of a written certification from the transferor (in the applicable form provided in the Agency

Agreement) to the effect that such transfer is being made to a person whom the transferor reasonably believes is a qualified institutional buyer within the meaning of Rule 144A, in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of

the United States or any other jurisdiction. After the expiry of the distribution compliance period, such certification requirements will no longer apply to such transfers, but such transfers will continue to be subject to the transfer restrictions contained in the legend appearing on the face of such Notes, as set out below.

Distribution compliance period shall mean the period that ends (40) forty days after the completion of the distribution of each Tranche of Notes, as certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant Lead Manager (in the case of a syndicated issue).

A beneficial interest in the Restricted Global Certificate may also be transferred to a person who wishes to take delivery of such beneficial interest through the Unrestricted Global Certificate only upon receipt by the Registrar of a written certification from the transferor (in the applicable form provided in the Agency Agreement) to the effect that such transfer is being made in accordance with Regulation S or Rule 144 (if available) under the Securities Act.

Any beneficial interest in either the Restricted Global Certificate or the Unrestricted Global Certificate that is transferred to a person who takes delivery in the form of a beneficial interest in the other Global Certificate will, upon transfer, cease to be a beneficial interest in such Global Certificate and become a beneficial interest in the other Global Certificate and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to a beneficial interest in such other Global Certificate for so long as such person retains such an interest.

Each person purchasing Notes from a Dealer or its affiliate (the “Vendor”) pursuant to Rule 144A acknowledges that (i) it has not relied on the Vendor in connection with its investigation of the accuracy of the information contained in this Base Prospectus or its investment decision and (ii) no person has been authorised to give any information or to make any representation concerning the Issuer or the Notes other than those contained in this Base Prospectus, and, if given or made, such other information or representation should not be relied upon as having been authorised by the Issuer or the Vendor. This Base Prospectus has been prepared by the Issuer solely for use in connection with the offer and sale of the Notes outside the United States to non-U.S. persons and for resales of the Notes to qualified institutional buyers in the United States and for the listing of the Notes on the Luxembourg Stock Exchange. The Issuer and the Vendor reserve the right to reject any offer to purchase, in whole or in part, for any reason, or to sell less than the number of Notes which may be offered pursuant to Rule 144A. This Base Prospectus does not constitute an offer to any person in the United States or to any U.S. person other than a qualified institutional buyer within the meaning of Rule 144A to whom an offer has been made directly by the Vendor.

Each prospective purchaser of Notes offered in reliance on Rule 144A (a “144A Offeree”), by accepting delivery of this Base Prospectus, will be deemed to have represented and agreed with respect to such Notes as follows:

- 1 such 144A Offeree acknowledges that this Base Prospectus is personal to such 144A Offeree and does not constitute an offer to any other person or to the public generally to subscribe for or otherwise acquire Notes other than pursuant to Rule 144A or in offshore transactions in accordance with Rule 903 or 904 of Regulation S. Distribution of this Base Prospectus, or disclosure of any of its contents, to any person other than such 144A Offeree and those persons, if any, retained to advise such 144A Offeree with respect thereto and other persons meeting the requirements of Rule 144A or Rule 903 or 904 of Regulation S is unauthorised, and any disclosure of any of its contents, without the prior written consent of the Issuer, is prohibited; and
- 2 such 144A Offeree agrees to make no photocopies of this Base Prospectus or any documents referred to therein and, if such 144A Offeree does not purchase Notes or the offering is terminated, to return this Base Prospectus and all documents referred to herein to the Vendor.

Because of the following restrictions, purchasers of Notes offered in the United States in reliance on Rule 144A are advised to consult legal counsel prior to making any offer, resale, pledge or transfer of such Notes.

Each purchaser of Registered Notes or person wishing to transfer an interest from one Registered Global Note to another or from global to definitive form or vice versa, will be required to represent, agree and acknowledge as follows (terms used herein that are defined in Rule 144A or Regulation S are used herein as defined therein):

- 1 It is either (X) (A) a qualified institutional buyer within the meaning of Rule 144A, (B) acquiring the Notes for its own account or for the account of such a qualified institutional buyer and (C) aware, and each beneficial owner of such Notes has been advised, that the sale of the Notes to it is being made in reliance on Rule 144A, or (Y) outside the United States and is not a U.S. person.
- 2 It understands that the Notes are being offered and sold only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, and the Notes offered hereby have not been and will not be registered under the Securities Act or other applicable securities laws of any state of the United States and may not be reoffered, resold, pledged or otherwise transferred within the United States or to, or for the account or benefit of U.S. persons except in accordance with the applicable legend set forth below.
- 3 It understands that the Restricted Global Certificate and any Definitive Notes issued in exchange for an interest in any Restricted Global Certificate, unless the Issuer determines otherwise in compliance with applicable law, will bear a legend to the following effect:

“THE NOTES IN RESPECT OF WHICH THIS CERTIFICATE HAS BEEN ISSUED HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND MAY NOT BE OFFERED, RESOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (1) IN ACCORDANCE WITH RULE 144A (“RULE 144A”) UNDER THE SECURITIES ACT TO A PERSON THAT THE HOLDER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER, (2) IN AN OFFSHORE TRANSACTION IN ACCORDANCE WITH RULE 903 OR 904 OF REGULATION S UNDER THE SECURITIES ACT, (3) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT (IF AVAILABLE) OR (4) TO THE ISSUER, IN EACH CASE IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. NO REPRESENTATIONS CAN BE MADE AS TO THE AVAILABILITY OF THE EXEMPTION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT FOR REALES OF THE NOTES IN RESPECT OF WHICH THIS CERTIFICATE HAS BEEN ISSUED.”

- 4 It understands that the Unrestricted Global Certificate and any Definitive Notes issued in exchange for an interest in any Unrestricted Global Certificate, unless the Issuer determines otherwise in compliance with applicable law, will bear a legend to the following effect:

“THE NOTES IN RESPECT OF WHICH THIS CERTIFICATE HAS BEEN ISSUED HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND MAY NOT BE OFFERED, RESOLD PLEDGED OR OTHERWISE TRANSFERRED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT. THIS LEGEND SHALL CEASE TO APPLY UPON THE EXPIRY OF 40 DAYS AFTER THE COMPLETION OF THE DISTRIBUTION OF ALL THE NOTES OF THE TRANCHE OF WHICH THIS NOTE FORMS PART.”

- 5 The Issuer, the Registrar, and the Dealers and their affiliates and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements. If any purchaser of Notes offered in reliance on Rule 144A is acquiring any Restricted Notes for the account of one or more qualified institutional buyers it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account.

- 6 It will, and will require each subsequent holder to, notify any purchaser of the Notes from it of the resale restrictions referred to in the applicable legend above, if then applicable.
- 7 It understands that the Restricted Notes offered in reliance on Rule 144A will be represented by a Restricted Global Certificate and the Unrestricted Notes offered outside the United States in reliance on Regulation S will be represented by one or more Unrestricted Global Certificates. Before any interest in a Restricted Global Certificate may be offered, sold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in an Unrestricted Global Certificate, it will be required to provide the Issuer and the Registrar with a written certification (in the form provided in the Agency Agreement) as to compliance with applicable securities laws.

Prospective purchasers are hereby notified that sellers of the Notes may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A.

Exchange of Interests in Global Certificates

Registration of title to Notes initially represented by a Restricted Global Certificate in a name other than DTC or a successor depository or one of their respective nominees will not be permitted unless (i) DTC or such successor depository notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depository with respect to the Restricted Global Certificate or ceases to be a “clearing agency” registered under the Exchange Act, or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of such depository, (ii) principal in respect of any Notes is not paid when due (provided that the rules of DTC so permit) or (iii) the applicable Final Terms specifies that the Restricted Global Certificate is exchangeable for definitive Registered Notes, and in any such case the Fiscal Agent has received a notice from the registered holder of the Restricted Global Certificate requesting exchange of the Restricted Global Certificate in full for individual definitive certificates (the “Certificates”).

Registration of title to Notes initially represented by an Unrestricted Global Certificate in a name other than the nominee of the Common Depository or the name of Euroclear France (or its nominee), as the case may be, will not be permitted unless (i) Euroclear, Clearstream, Luxembourg or Euroclear France, as the case may be, is closed for business for a continuous period of 14 days (other than by reason of holidays statutory or otherwise) or announces an intention permanently to cease business or in fact does so, (ii) principal in respect of any Notes is not paid when due (provided that the rules of Euroclear, Clearstream, Luxembourg or Euroclear France, as the case may be, so permit) or (iii) the applicable Final Terms specifies that the Unrestricted Global Certificate is exchangeable for definitive Registered Notes, and in any such case the Registrar or any Transfer Agent has received a notice from the registered holder of a specified amount of the Unrestricted Global Certificate requesting exchange of the Unrestricted Global Certificate for individual Certificates.

In such circumstances, the relevant Global Certificate shall be exchanged in full or in part, as the case may be, for Certificates and the Issuer will, at the cost of the Issuer (but against such indemnity as the Registrar or any relevant Transfer Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such exchange), cause sufficient Certificates to be executed and delivered to the Registrar for completion, authentication and dispatch to the relevant Noteholders. A person having an interest in a Global Certificate must provide the Registrar with (i) a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such Certificates and (ii) in the case of the Restricted Global Certificate only, a fully completed, signed certificate substantially to the effect that the exchanging holder is not transferring its interest at the time of such exchange or, in the case of simultaneous sale pursuant to Rule 144A, that the transfer is being made in compliance with the provisions of Rule 144A. Certificates issued in exchange for a beneficial interest in the Restricted Global Certificate shall bear the legends applicable to transfers pursuant to Rule 144A, as set out under “Transfer Restrictions”.

The holder of a Registered Note may transfer such Registered Note in accordance with the provisions of Condition 2. Certificates may not be eligible for trading in the clearing systems.

Upon the transfer, exchange or replacement of a Certificate bearing the Rule 144A legend referred to under “Transfer Restrictions”, or upon specific request for removal of the Rule 144A legend on a Certificate, the Issuer will deliver only Certificates that bear such legend, or will refuse to remove such legend, as the case may be, unless there is delivered to the Issuer and the Registrar such satisfactory evidence, which may include an opinion of counsel, as may reasonably be required by the Issuer to

ensure that neither the legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

The Registrar will not register the transfer of or exchange of interests in a Global Certificate for Certificates for a period of three business days ending on the due date for any payment of principal. For the purposes hereof and for payment of interest, “business day” means a day on which commercial banks and foreign exchange markets are open for business in London and New York City.

Euroclear, Clearstream, Luxembourg, Euroclear France and DTC Arrangements for Registered Notes

So long as DTC or its nominee or Euroclear, Clearstream, Luxembourg or the nominee of the Common Depository or Euroclear France (or its nominees) is the registered holder of a Global Certificate, DTC, Euroclear, Clearstream, Luxembourg, Euroclear France or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Certificate for all purposes under the Agency Agreement and the Notes. Payments of principal, interest and additional amounts, if any, in respect of the Global Certificates will be made to DTC, Euroclear, Clearstream, Luxembourg, Euroclear France or such nominee, as the case may be, as the registered holder thereof. None of the Issuer, any Agent or any Dealer or any affiliate of any of the above or any person by whom any of the above is controlled for the purposes of the Securities Act will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Global Certificates or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Distributions of principal and interest with respect to book-entry interests in the Notes held through Euroclear, Clearstream, Luxembourg or Euroclear France, as the case may be, will be credited, to the extent received by, or on behalf of, Euroclear, Clearstream, Luxembourg or Euroclear France, as the case may be, from the Fiscal Agent, to the cash accounts of Euroclear or Clearstream, Luxembourg customers or the accounts of Approved Intermediaries, as the case may be, in accordance with the relevant clearing system’s rules and procedures.

Holders of book-entry interests in the Notes through DTC will receive, to the extent received by DTC from the Fiscal Agent, all distributions of principal and interest with respect to book-entry interests in the Notes from the Fiscal Agent through DTC. Distributions in the United States will be subject to relevant U.S. tax laws and regulations.

Interest on the Notes (other than interest payable on redemption) will be paid to the holder shown on the Register on the third business day before the due date for such payment so long as the Notes are represented by a Global Certificate, instead of on the fifteenth day before the due date for such payment (as provided by Condition 2(f)) so long as the Notes are in definitive form (the “Record Date”). Trading between a Restricted Global Certificate and a related Unrestricted Global Certificate will therefore be net of accrued interest from the relevant Record Date to the relevant Interest Payment Date.

The laws of some states of the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer interests in a Global Certificate to such persons will be limited. Because DTC, Euroclear, Clearstream, Luxembourg and Euroclear France (or Approved Intermediaries) can only act on behalf of participants, who in turn act on behalf of indirect participants, the ability of a person having an interest in a Global Certificate to pledge such interest to persons or entities which do not participate in the relevant clearing system, or otherwise take actions in respect of such interest, may be affected by the lack of a physical certificate in respect of such interest.

The holdings of book-entry interests in the Notes through Euroclear, Clearstream, Luxembourg and DTC will be reflected in the book-entry accounts of each such institution. As necessary, the Registrar will adjust the amounts of Notes on the Register for the accounts of (i) BT Globenet Nominees Limited and (ii) Cede & Co. to reflect the amounts of Notes held through Euroclear, Clearstream, Luxembourg, Euroclear France and DTC, respectively. Beneficial ownership of Notes will be held through financial institutions as direct and indirect participants in Euroclear, Clearstream, Luxembourg, Euroclear France and DTC, as the case may be.

Interests in each Unrestricted Global Certificate and Restricted Global Certificate will be in uncertified book-entry form.

Trading between Euroclear and/or Clearstream, Luxembourg Accountholders and/or Approved Intermediaries. Secondary market sales of book-entry interests in the Notes held through Euroclear,

Clearstream, Luxembourg or Euroclear France, as the case may be, to purchasers of book-entry interests in the Notes through Euroclear, Clearstream, Luxembourg or Euroclear France, as the case may be, will be conducted in accordance with the normal rules and operating procedures of Euroclear, Clearstream, Luxembourg or Euroclear France, as the case may be, and will be settled using the procedures applicable to conventional Eurobonds.

Trading between DTC Participants. Secondary market sales of book-entry interests in the Notes between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled using the procedures applicable to United States corporate debt obligations in DTC's Same-Day Funds Settlement System. Where payment is not effected in U.S. dollars, separate payments outside DTC are required to be made between the DTC participants.

Trading between DTC Seller and Euroclear/Clearstream, Luxembourg/Euroclear France Purchaser. When book-entry interests in Notes are to be transferred from the account of a DTC participant to the account of a Euroclear or Clearstream, Luxembourg accountholder, as the case may be, wishing to purchase a beneficial interest in an Unrestricted Global Certificate (subject to such certification procedures as are provided in the Agency Agreement), the DTC participant will deliver instructions for delivery to the relevant Euroclear or Clearstream, Luxembourg accountholder to DTC by 12 noon, New York City time, on the settlement date. Separate payment arrangements are required to be made between the DTC participant and the relevant Euroclear or Clearstream, Luxembourg accountholder, as the case may be. On the settlement date, the Custodian will instruct the Registrar to (i) decrease the amount of Notes registered in the name of the nominee for DTC and evidenced by the relevant Restricted Global Certificate and (ii) increase the amount of Notes registered in the name of the nominee for the Common Depository and evidenced by the relevant Unrestricted Global Certificate. Certificate book-entry interests will be delivered free of payment to Euroclear or Clearstream, Luxembourg, as the case may be, for credit to the relevant accountholder on the first business day following the settlement date. See above for details of the Record Date for payments of interest.

The relevant procedures relating to transfers of book-entry interests in Notes to be transferred from the account of a DTC participant to the account of an Approved Intermediary will be in such manner as shall be agreed by DTC and Euroclear France at the relevant time.

Trading between Euroclear/Clearstream, Luxembourg/Euroclear France Seller and DTC Purchaser. When book-entry interests in Notes are to be transferred from the account of a Euroclear or Clearstream, Luxembourg accountholder, as the case may be, to the account of a DTC participant wishing to purchase a beneficial interest in a Restricted Global Certificate (subject to such certification procedures as are provided in the Agency Agreement), the Euroclear or Clearstream, Luxembourg accountholder must send to Euroclear or Clearstream, Luxembourg delivery free of payment instructions by 19.45 hours, Brussels or Luxembourg time, one business day prior to the settlement date. Separate payment arrangements are required to be made between the DTC participant and the relevant Euroclear or Clearstream, Luxembourg accountholders, as the case may be. On the settlement date, the Common Depository will (i) transmit appropriate instructions to the Custodian who will in turn deliver such book-entry interests in the Notes free of payment to the relevant account of the DTC participant and (ii) instruct the Registrar to (a) decrease the amount of Notes registered in the name of the nominee of the Common Depository and evidenced by the relevant Unrestricted Global Certificate and (b) increase the amount of Notes registered in the name of the nominee for DTC and evidenced by the relevant Restricted Global Certificate. See above for details of the Record Date for payments of interest.

The relevant procedures relating to transfers of book-entry interests in Notes to be transferred from the account of an Approved Intermediary to the account of a DTC participant will be in such manner as shall be agreed between Euroclear France and DTC at the relevant time.

DTC has advised the Issuer as follows: DTC is a limited purpose trust company organised under the laws of the State of New York, a "banking organisation" under the laws of the State of New York, a member of the U.S. Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between participants through electronic computerised book-entry changes in the accounts of its participants, thereby eliminating the need for physical movement of certificates. Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to DTC is available to others, such as banks, securities brokers, dealers and trust companies, that clear through or maintain a custodial relationship with a DTC direct participant, either directly or indirectly.

Although the foregoing sets out the procedures of Euroclear, Clearstream, Luxembourg, Euroclear France and DTC in order to facilitate the transfers of interests in the Notes among participants of DTC, Euroclear, Clearstream, Luxembourg and Euroclear France, none of Euroclear, Clearstream, Luxembourg, Euroclear France or DTC is under any obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, any Agent or any Arranger or Dealer or any affiliate of any of the above, or any person by whom any of the above is controlled for the purposes of the Securities Act, will have any responsibility for the performance by DTC, Euroclear, Clearstream, Luxembourg or Euroclear France (or any Approved Intermediary) or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations or for the sufficiency of any purpose of the arrangements described above.

Net investments financed through Group equity increased by €138 million in 2004 on a constant Group structure basis (i.e. + 5%), increasing from €1.350 billion to €1.488 billion.

The Group's objective is to finance its investments through resources generated by operations. Investments subsidies received by SNCF in the form of third-party financing, primarily from local authorities, for TER rolling stocks, decreased from € 618 million in 2003 to €572 million in 2004.

At the end of June 2005, investments increased by 2005 compared to June 2004 on a constant Group basis from €910 million (comprising subsidies for €279 million) to €1.078 billion (comprising subsidies for €299 million).

Based on a budgetary estimate, SNCF parent company Investments for 2005 are targeted to €2.171 billion comprising subsidies for €967 million.

The main investments are upgrading of stations and building and acquisition and renovation of rolling stock.

Recent Developments

SERNAM

On 13 July 2005, the Board of Directors of SNCF approved the draft transfer of the activities of SERNAM to SERNAM's management team. The transfer took place on 17 October 2005.

TAXATION

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required, from 1 July 2005, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date.

France

Payments in respect of Notes issued by the Issuer that constitute *obligations* under French law will be made without withholding or deduction for, or on account of, taxes imposed by or on behalf of the Republic of France, as provided by Article 131 *quater* of the French General Tax Code, if issued outside France. Notes will be issued (or deemed to be issued) outside France:

- (i) in the case of syndicated or non-syndicated issues of Notes, if they are denominated in euro as provided in the Circular of the *Direction générale des impôts* dated 30 September 1998;
- (ii) in the case of internationally syndicated issues of Notes denominated in currencies other than euro, if, *inter alia*, the issuer and the relevant Dealers agree, in connection with their initial distribution, not to offer the Notes to the public in the Republic of France. Such securities may be offered in the Republic of France only to "qualified investors" as described in Article L.411-2 of the *Code monétaire et financier*; or
- (iii) in the case of non-syndicated issues of Notes denominated in currencies other than euro, if each of the subscribers is domiciled or resident for tax purposes outside the Republic of France.
- (iv) On 3 June 2003, the Council of the European Union adopted a new directive regarding the taxation of savings income received in the form of interest payments (the "Directive"). Subject to certain conditions being met, Member States will be required from 1 July 2005 to provide the tax authorities of another Member State with, *inter alia*, details of payments of interest within the meaning of the Directive (interest, products, premiums or other debt income) made by a paying agent located within its jurisdiction to or for the benefit of an individual resident in that other Member State (the "Disclosure of Information Method").

For these purposes, the term paying agent is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Directive, for the immediate benefit of individuals.

However, throughout the transitional period, certain Member States (the Grand-Duchy of Luxembourg, Belgium and Austria), instead of using the Disclosure of Information Method used by other Member States, would withhold an amount on interest payments.

The rate of such withholding tax will equal 15 per cent. during the first three years, 20 per cent. during the subsequent three years and 35 per cent. until the end of the transitional period. Such transitional period will end if and when the European Community enters into agreements on exchange of information upon request with several jurisdictions (including, *inter alia*, the United States, Switzerland, Liechtenstein, San Marino, Monaco and Andorra).

The Directive was implemented into French law by the Amended Finance Law for 2003 and by the Amended Finance Law for 2004, which impose on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest

payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest payments made from 1 July 2005.

Luxembourg

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Certificates should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Withholding tax

Residents

Under Luxembourg tax laws currently in force, there is no withholding tax on payments of principal, premium or interest, nor on accrued but unpaid interest, in respect of the Certificates made to Luxembourg resident holders of Certificates, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Certificates held by Luxembourg resident holders of Certificates.

Non-Residents

Under Luxembourg tax laws currently in force, there is no withholding tax on payments of principal, premium or interest made to holders of Certificates nor on accrued but unpaid interest in respect of the Certificates, made to non-residents holders of Certificates, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Certificates held by non-resident holders of Certificates.

However, under the Luxembourg law of 21 June 2005, implementing the EU Savings Tax Directive, and as a result of ratification by Luxembourg of certain related Accords with the relevant dependent and associated territories, payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual or certain residual entities as defined by the law, who, as result of an identification procedure implemented by the paying agent, are identified as residents or are result of an identification procedure implemented by the paying agent, are identified as residents of an EU Member State other than Luxembourg, those certain dependent or associated territories or those other non-EU Member States referred to under "EU Savings Tax Directive" above, will be subject to a withholding tax unless the relevant beneficiary has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her country of residence or deemed residence or has provided a tax certificate from his/her fiscal authority in the format required by law to the relevant paying agent. Where withholding tax is applied, it will be levied at a rate of 15% during the first three-year period starting 1 July 2005, at a rate of 20% for the subsequent three-year period and at a rate of 35% thereafter.

When used in the preceding paragraph "interest" and "paying agent" have the meaning given thereto in the Luxembourg law of 21 June 2005 (or the relevant Accords). "Interest" will include accrued of capitalized interest at the sale, repayment or redemption of the Certificates. "Paying agent" is defined broadly for this purpose and in the context of the Certificates means any economic operator established in Luxembourg who pays interest on the Certificates to or ascribes the payment of such interest to or for the immediate benefit of the beneficial owner, whether the operator is, or acts on behalf of, the Issuer or is instructed by the beneficial owner to collect such payment of interest.

Payments of interest or similar income under the Certificates to the Clearing Systems and payments by or on behalf of the Clearing Systems to financial intermediaries will not give rise to a withholding tax under Luxembourg law.

Income Taxation holders of Certificates

A Luxembourg holder of Certificates that is governed by the law of 31 July 1929, on pure holding companies, as amended, by laws of 30 March 1988 and 20 December 2002 on undertakings for collective investment, as amended, or that is a capital company governed by the law of 15 June 2004 on venture capital vehicles is not subject to Luxembourg income tax in respect of gains realised on the exercise of the transfer of Certificates.

A corporate holder of Certificates, who is a resident of Luxembourg for tax purposes or who has a permanent establishment or a fixed place of business in Luxembourg, to which the Certificates are attributable, must include any gain realised on the exercise or the transfer of Certificates in its taxable income for Luxembourg income assessment purposes. The same obligation applies to an individual holder of Certificates, acting in the course of the management of a professional or business undertaking, who is a resident of Luxembourg for tax purposes or who has a permanent establishment or a fixed place of business in Luxembourg, to which the Certificates are attributable.

Where the Certificates are Physical Delivery Share Certificates or Physical Delivery Fund Certificates and the Issue Price is lower than the fair market value of the shares or units, the differential will not be taxable at the moment of the delivery of the shares or units in the hands of a corporate holder of Certificates or an undertaking, who is a resident of Luxembourg for tax purposes or who has a permanent establishment or a fixed place of business in Luxembourg, to which the Certificates are attributable. However, a gain realised upon a subsequent disposal of the shares or units (i.e., the difference between the acquisition value of the shares or units, which is the aggregate of the Issue Price and the sale price of the shares or units) must be included in its taxable income for Luxembourg income tax assessment purposes, unless such gain is tax exempt under the Luxembourg participation exemption.

Gains realised by an individual holder of Certificates, acting in the course of the management of his/her private wealth, who is resident in Luxembourg for tax purposes, upon the sale or disposal of Certificates, is not subject to Luxembourg income tax, provided such sale or disposal took place more than six months after the Certificates were acquired.

Where the Certificates are Physical Delivery Share Certificates or Physical Delivery Fund Certificates and the Issue Price is lower than the fair market value of the shares or units, the differential will not be taxable in the hands of an individual holder of Certificates, acting in the course of the management of his/her private wealth, who is a resident in Luxembourg for tax purposes. A gain realised upon the subsequent disposal of the shares or units (i.e., the difference between the acquisition value of the shares or units, which is the aggregate of the Issue Price and the sale price) must be included in its taxable income for Luxembourg income tax assessment purposes provided such sale or disposal took place more than six months after the delivery of the shares or units, except where the holder holds directly or indirectly a substantial participation in an issuing company.

Net Wealth Taxation of holders of Certificates

Any holder of Certificates, whether such holder is resident in Luxembourg for tax purposes or such holder maintains a permanent establishment or a fixed place of business in Luxembourg to which the Certificates are attributable, is subject to Luxembourg wealth tax on such Certificates, except if the holder of the Certificates is governed by the law of 31 July 1929, on pure holding companies, as amended, or by the laws of 30 March 1988 and 20 December 2002 on undertakings for collective investment, as amended, or is a securitisation company governed by the law of 22 March 2004 on securitisation, or is a capital company governed by the law of 15 June 2004 on venture capital vehicles.

Other Taxes

Neither the issuance nor the transfer of Certificates will give rise to any Luxembourg stamp duty, value added tax, issuance tax, registration tax, transfer tax or similar taxes or duties.

Where a holder of Certificates is a resident of Luxembourg for tax purposes at the time of his death, the Certificates are included in his taxable estate for inheritance tax assessment purposes.

Gift tax may be due on a gift or donation of Certificates if embodied in a Luxembourg deed or recorded in Luxembourg.

General

The Issuer assumes responsibility for withholding taxes to the extent set forth in Condition 8 ("*Taxation*") of the Conditions.

SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in an amended and restated Dealer Agreement dated 23 December 2005 (the “Dealer Agreement”), between the Issuer, the Permanent Dealers and the Arrangers, the Notes will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to issue Notes directly on its own behalf to Dealers that are not Permanent Dealers and who agree to be bound by the restrictions below. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for certain of its expenses incurred in connection with the update of the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the applicable Final Terms.

The Issuer has agreed to indemnify the Dealers and the Arrangers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

The Dealer Agreement provides that the Dealers may directly or through their respective agents or affiliates which are U.S. registered broker-dealers arrange for resales of Notes in registered form in the United States to qualified institutional buyers pursuant to Rule 144A.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended and regulations thereunder.

In connection with any Notes offered or sold outside the United States in reliance on Regulation S (“Unrestricted Notes”) each Dealer has agreed that neither it nor its affiliates nor any person acting on its or their behalf and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver Unrestricted Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of an identifiable Tranche of which such Unrestricted Notes are a part as determined, and certified to the Issuer and the relevant Dealer by the Fiscal Agent or, in the case of Notes issued on a syndicated basis, by the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Unrestricted Notes during the distribution compliance period (other than resales pursuant to Rule 144A) a confirmation or other notice setting out the restrictions on offers and sales of the Unrestricted Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S.

In addition, until 40 days after the commencement of the offering of any identifiable tranche of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering of such Notes) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A.

Each issuance of index-, commodity- or currency-linked Notes may be subject to such additional U.S. selling restrictions as the relevant Dealer(s) may agree with the Issuer as a term of the issuance and purchase or, as the case may be, subscription of such Notes. Each Dealer agrees that it shall offer, sell and deliver such Notes only in compliance with such additional U.S. selling restrictions.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "Relevant Implementation Date") it has not made and will not make an offer of Notes to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (a) in (or in Germany, where the offer starts within) the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive and ending on the date which is 12 months after the date of such publication;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual turnover of more than €50,000,000, as shown in its last annual or consolidated accounts; or
- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of Notes to the public" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "Prospectus Directive" means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
